About Us

Silver Pharma is a licensed pharmaceutical export wholesaler in Turkey founded in 2018. As Silver Pharma, we operate a store of 1100 m² in Ankara, with an expert team of 25 employees. We are a warehouse that has specialized in the field of pharmaceutical, medical products and vitamins. Our company offer its partners a wide range of products including original and generic drugs, oncology drugs and OTC products regarding to its pharmaceutical field. It carries out export activities to more than 60 countries internationally. On the other hand, we export medical devices and consumables providing competitive options. We produce vitamin and nutritional supplements according to the demands of our partners. We also offer customers the opportunity to create their own brands by making special production according to the demands. Our company has all the necessary advantages to ensure customer satisfaction in terms of quality service and price.

Silver Pharma achieves her visions, goals and values through the business partners' satisfaction providing high quality & quick service. We create this opportunity with our highly experienced team in the pharmaceutical industry. All operations from the warehouse, purchasing department to the logistics and export team are managed by experts.

Silver pharma acted with a full sense of social responsibility and considered the public goods in its activities. We have fulfilled our mission to leave a better world for future generations. As a leading company, we know how important this approach is. So our motto is: healthy generations lead to wealthy generations.

Objectives

Silver Pharma's objectives are measurable and effectively describe the actions required to accomplish its tasks. Our objectives define the techniques our organization uses to achieve sales success, customer service standards, and branding opportunities as well as any other measurable aspirations from Customer Service Objectives, Retaining Talented Employees, focusing on customer service and then Achieving Financial Success.

Our Mission

- Accurately analyze the needs of our partners to provide effective solutions with maximum reliability and flexibility.
